FLOOR DEBATE

February 26, 2003 LB 102A, 111, 332, 433, 487, 725, 733, 752
LR 39

So I hope that you advance the bill. I think that this is not an outright ban. It certainly doesn't prevent us from it some time in the future banning it, but it has become an accepted practice nationally. It's built into insurance rates nationally. Currently, it's allowed under the federal law. And so I think that this is really a good step forward for us and I think that we might be very, very happy with the results, and I ask you to vote to advance. Thank you very much.

SPEAKER BROMM: You've heard the closing. Thank you, Senator Redfield. The question before us is the advancement of LB 487 to E & R Initial. All in favor please vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

ASSISTANT CLERK: 37 ayes, 0 nays on the motion to advance the bill, Mr. President.

SPEAKER BROMM: The bill does advance. Items for the record, Mr. Clerk.

ASSISTANT CLERK: Thank you, Mr. President. A motion from Senator Maxwell to place LB 433 on General File notwithstanding the action of the committee. A new A bill. (Read LB 102A by title for the first time.) New resolution, LR 39, by Senator Connealy. Your Committee on Business and Labor reports LB 332 to General File with amendments, LB 725 indefinitely postponed, LB 733 indefinitely postponed, LB 752 indefinitely postponed. That's all that I have at this time. (Legislative Journal pages 671-672.)

SPEAKER BROMM: Thank you, Mr. Clerk. LB 111.

ASSISTANT CLERK: LB 111 was introduced by Senator Mossey and others. (Read title.) The bill was read for the first time on January 9 of this year, referred to the Judiciary Committee. That committee reports the bill to General File with no committee amendments.

SPEAKER BROMM: Senator Mossey, you're recognized to open on LB 111.
